ETIP SNET PLAN. INNOVATE. ENGAGE.

Advocacy and outreach

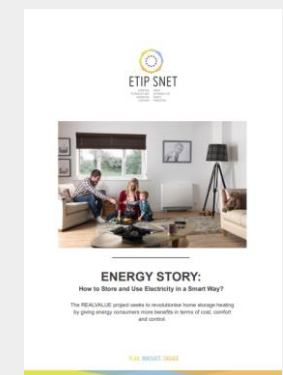

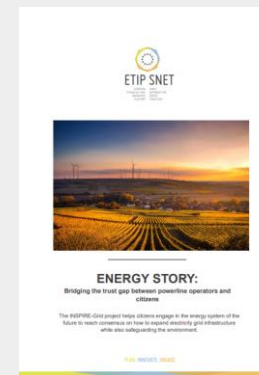

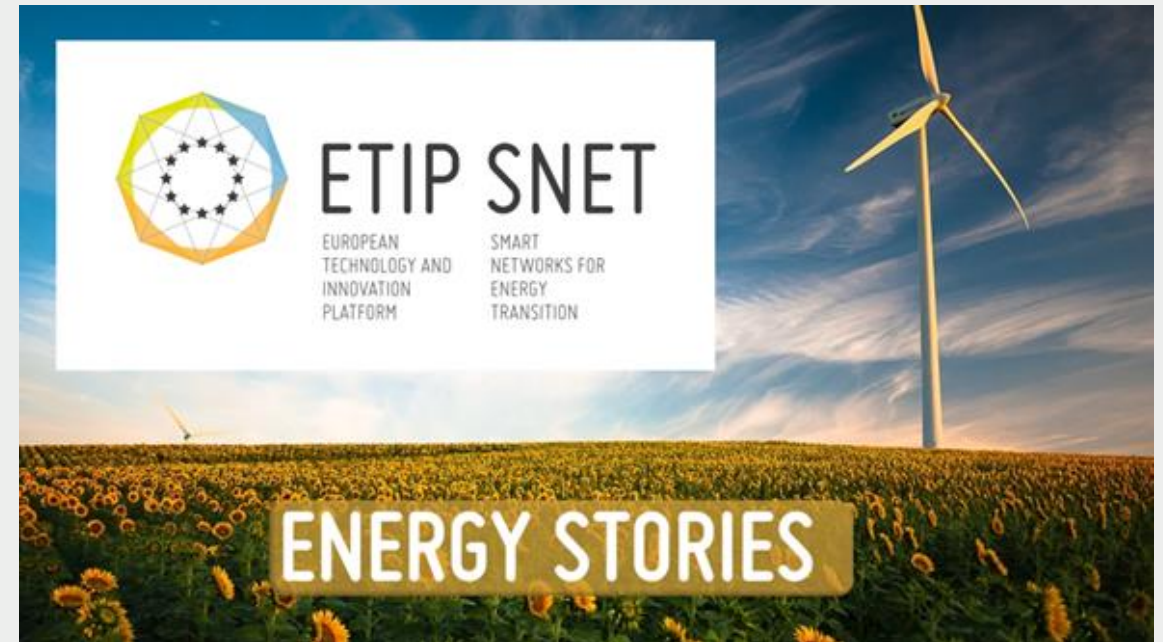

Communication & advocacy activities

- **ETIP Mission promotion for Horizon Europe**
- **Advise EC on Horizon Europe** (on ad hoc basis)
- **Release of “Energy stories”** (throughout the year)

Objective:

- To communicate positively on the results of RD&I Funding at EU level towards the general public (but also including energy community)
- Frame the Energy Stories as examples of ETIP SNET Vision 2050
- Have 8 stories completed by end of first quarter of 2019
- Have 20 stories completed by end of project
