

ETIP SNET SECRETARIAT

European Technology and Innovation Platform Smart Networks for Energy Transition

#ETIPSNET

NORTHERN EUROPE

Regional Workshop – DRAFT Agenda

April 8th, 2025, 10:00 - 13:00 - Online

Title: Sustainable Transport Integration into the Grid

Norway, Sweden, Finland, Estonia, Latvia, Lithuania, Denmark

### STOP Note To the spotlight ### SPETIP SNET on the spotlight ### SPETIP SNET on the spotlight ### SPETIP SNET on the spotlight ### SPETIP SNET Co-Chair Antonio Illiceto	10:00	Opening Remarks By DG ENER – George Paunescu
10:05 By ETIP SNET Co-Chair Antonio Iliceto Overview of the initiative and its overarching goal to inform the EU R&I agenda Impacts of sustainable mobility integration into the energy grids By ETIP SNET WG1 Chair - Santiago Gallego Amores and ETIP SNET WG2 Co-Chair - Franco Di Persio Presentation of the paper by WG1 "Grid integration of sustainable transport" Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		,
Overview of the initiative and its overarching goal to inform the EU R&I agenda Impacts of sustainable mobility integration into the energy grids By ETIP SNET WG1 Chair - Santiago Gallego Amores and ETIP SNET WG2 Co-Chair - Franco Di Persio Presentation of the paper by WG1 "Grid integration of sustainable transport" Q&A session (5 min)	10:05	, ,
Impacts of sustainable mobility integration into the energy grids By ETIP SNET WG1 Chair - Santiago Gallego Amores and ETIP SNET WG2 Co-Chair - Franco Di Persio • Presentation of the paper by WG1 "Grid integration of sustainable transport" • Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo • DG ENER - George Paunescu • Nordic energy research - Ditte Stougaard Stiler • RISE Sweden - Susanne Ackeby • Danish Energy Agency - Wickie Lassen Agdal • Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo • DTU research group "e-mobility" - Mattia Marinelli • E-ON Sweden - Rebecca Samuelsson • Stattnet - Matthias Hofmann • Scania - Ulf Ceder • Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
By ETIP SNET WG1 Chair - Santiago Gallego Amores and ETIP SNET WG2 Co-Chair - Franco Di Persio Presentation of the paper by WG1 "Grid integration of sustainable transport" Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
10:15 Persio Presentation of the paper by WG1 "Grid integration of sustainable transport" Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva	10:15	
Presentation of the paper by WG1 "Grid integration of sustainable transport" Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
 Q&A session (5 min) Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		. 5.55
Research priorities on sustainable mobility integration into the grid at national level Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
Moderated by PwC - Massimo Leonardo DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana IIo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		· · ·
 DG ENER - George Paunescu Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 	10:45	, ,
 Nordic energy research - Ditte Stougaard Stiler RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		
 RISE Sweden - Susanne Ackeby Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) 11:30 Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		
 Danish Energy Agency - Wickie Lassen Agdal Q&A session (5 min) Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana IIo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion - lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		
 Q&A session (5 min) Coffee break Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo		,
Innovative technologies and solutions developed within projects Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
 Moderated by ETIP SNET WG1 Co-Chair - Albana Ilo DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 	11:30	Coffee break
 DTU research group "e-mobility" - Mattia Marinelli E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 	12:30	Innovative technologies and solutions developed within projects
 E-ON Sweden - Rebecca Samuelsson Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		· ·
 Stattnet - Matthias Hofmann Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		
 Scania - Ulf Ceder Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands"		
 Q&A session (5 min) Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva 		
Presentation of the report "Unlocking EV smart charging to reduce grid congestion – lessons learned from Netherlands" By PwC - Jan Willem Velthuijsen Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
12:30 learned from Netherlands" By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		, ,
By PwC - Jan Willem Velthuijsen 12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva		
12:40 Summary and next steps: Interactive session with the public Moderated by ETIP SNET WG1 Co-Chair - Nuno Souza e Silva
